

# OUTSOURCING OF AUTOMATION EXPERTS

EPLAN • PLC • COMMISSIONING • PROJECT SUPPORT

## What we do?

- Selection and delivery of automation specialists for projects
- Outsourcing / B2B – we invoice the expert, you receive a single invoice

## How cooperation works?

- Brief & requirements (technologies, industry, timeline)
- Technical pre-selection + profile recommendation
- Project start at the client site + B2Automation support
- Monthly settlement (timesheet / rate)

## Why us?

- Technical founders: Błażej (EPLAN) + Igor (PLC)
- Technical pre-selection (EPLAN / PLC) – not HR
- Substantive support for experts during the project

## Typical roles

- ✓ PLC Programmer
- ✓ Industrial Electrician
- ✓ EPLAN Designer
- ✓ Robotics (ABB / KUKA / FANUC)
- ✓ SCADA / HMI
- ✓ Automation Engineer – commissioning
